3. Preliminary games are played to 15 by ones, 3 point basket is two points, and must win by two or to 20 minutes whichever comes first. If 20 minutes expires and game is still tied, its sudden death win by one. (3 minutes in preliminary game, 5 minutes in semi/final)
4. Finals will be played to 21, win by two.
5. Alternating possession after a made basket.
6. Must clear ball to 3-point line after made basket, rebound, or a foul.
7. You do not have to clear ball on an air ball or a steal.

9. You must clear the paint after each possession.
10. Players will call own fouls. After call is made the possession continues after ball is cleared to the 3-point line. 3 on 3 is not tennis, it's a rough game and little incidental calls should not be made.
11. Integrity, respect and honesty starts here. No profanity! Any dispute that cannot be resolved, both teams will agree on a single shooter from free throw to determine. A make wins dispute, a miss loses the dispute. No arguing. If for any reason a dispute can't be resolved the TD can be called to the court. This should not happen.
12. In the case that a team may have a sub that team must work out a pattern that allows sub in game.
13. In the event of injury and a player cannot continue the tournament director will work to replace with the extra substitution if there is one. Or game by game find comparable player who agrees to play as schedule allows.
14. Winning team must report scores immediately to score table volunteers or Tournament Director.
