My Gym Foundation (MGF) provides much-needed gifts to children living with physical or cognitive disabilities. These invaluable items range from sensory equipment and classes to unique swings and seating devices that allow a child to sit at the dinner table with the family. We strive every day to improve the quality of life for as many children as possible. It’s a labor of love.

**Meet Isaiah**

Three-year-old Isaiah has cerebral palsy and is unable to sit or move on his own. Despite this, Isaiah is an adorable, happy little boy. He loves sitting on his dad’s shoulders to see the world, playing with his brother, and enjoying the outdoors.

MGF purchased a Firefly GoTo Seat for Isaiah. Now he can sit independently and enjoy playing with his brother face to face.

**Meet Joss**

MGF gifted little Joss a laptop so she could use special speech programs designed for Down Syndrome. She loves her purple laptop and can communicate with her family in new ways.
